Terry Mallenby Successfully Sued the RCMP!!!! Malaspina University College teacher Helen Brown lies about missing class to help the RCMP out!! In the book entitled “Canada’s Police Force: Lies, fabrication, perjury ... and much worse?”, if you successfully sue the RCMP, as far as they are concerned, you become an Enemy of the State and are free game for them to harass, including one’s spouse and children. However, in their zeal to harass this fellow, as well as countless others in the country, it becomes clear that the RCMP themselves have become the Enemy of the People! The last chapter is how the RCMP are harassing a person that revealed the “crap” about them!!!! "The RCMP are using extraordinary measures to silence a critic who outed an officer posting naked bondage photos of himself online, according to the B.C. Civil Liberties Association. Grant Wakefield says he and his wife were terrorized by police during a raid on their home this past August. The raid was executed after Wakefield provided police with evidence RCMP Cpl. Jim Brown had posted several bondage-type photos of himself on social media websites for people with sexual fetishes."
