### Editorial Review

#### About the Author

Jonathan C. Ferguson is a prophetic voice with an undeniable passion for the Church to experience the glory and fullness of the presence of Jesus. He is married to Amanda Ferguson who serves along side him in ministry with an accurate and precise prophetic utterance coupled with an undeniable grace to minister emotional healing and practical life applications to women of all of ages. In the year of 2001 at the age of 17, Jonathan embraced his call to ministry and began seven years of prophetic training based on the Christian International teachings and Bishop Bill Hammon. This season cultivated the urgency not merely for evangelism and sharing God's Word, but it also taught him the importance of learning humility and being adequately prepared for future ministry opportunities. Having completed programs at Memphis Bible Institute, Jacksonville Theological Seminary, and others, Jonathan operates in an apostolic grace, which is absolute and timely for this generation. He has lectured at Wagner Leadership Institute, which was founded by Peter C. Wagner, ministered at college campuses, and traveled extensively across the United States. His revivals, one of which lasted for 72 services in Jackson, MS, have brought people from across the country to experience the manifestation of God's presence through Jonathan's ministry. With a desire to impact and impart into a generation, Jonathan began an online training course, School of Prophets, which currently exceeds 100 national and international registered students. Through this platform, he is able to connect with, challenge, and train individuals around the world via 12 "on demand" web based video class sessions with interactive features. Through his ministry, which has been confirmed with countless miraculous testimonies, such as physical and emotional healings, debt cancellations, baptisms in the Holy Spirit, and even the dead being raised, many have come to know Jesus in a more meaningful way. Moreover, through the prophetic anointing on his life, there has been confirmation on God's ability to speak through him, and he has privately counseled leading figures, including professional sports players. Along with his many accomplishments, Jonathan has authored multiple books and seeks to utilize every avenue available in spreading truth. His ministry transcends denominations, cultures, and most importantly, seeks to bring individuals into an authentic encounter with the Lord Jesus Christ.
