***Sacred Success®: A Course in Financial Miracles* shows women there is a better way to achieve wealth and power: on your own terms—as a woman.**

Barbara Stanny, the leading expert on women and money, has helped women take control of their finances for two decades—and she knows there is much more to success than how much you earn. In her work with powerful, successful women over the last 20 years, bestselling author and financial educator Stanny has found that most women’s problems with money have little to do with money itself, but rather with their fear of, or ambivalence toward, power. Instead of pushing women to pursue financial success in the traditional fashion, *Sacred Success* seeks to redefine power from a feminine perspective.

More than a financial guide, *Sacred Success* is a primer on power for women—a tutorial for taking charge of your life by taking charge of your finances, and not only growing your money but creating a deeper, richer, and more meaningful life. Best described as “*A Course in Miracles* meets the *Wall Street Journal*,” *Sacred Success* gives you a proven process that uniquely blends the practical, psychological, and spiritual work of wealth.

You can be financially successful without sacrificing your soul or compromising your values. You can create wealth and exercise power by staying true to your authentic self and personal mission. Start now.
