Sexualities in Context: A Social Perspective By Rebecca F. Plante

Written in an accessible and clear manner, *Sexualities in Context* presents focused overviews and explorations of some of the most timely issues in the social construction of sex. This brief text is suitable for courses with coverage of gender and sexuality in sociology, psychology, women's and gender studies, and human development. The only book of its kind to address sexualities from a social perspective, Plante's analysis of the context of sexuality, sexual behaviors, and identities is both intelligent and readable. With contemporary topics, such as 'hooking up,' sexual fantasies, and bisexualities, along with examples of how to apply critical thinking, students are empowered to think outside their comfort zones and encouraged to explore the topic of sex in a new context. Employing useful pedagogical features like end-of-chapter questions and suggested projects, this is the ideal text to help students see that sex is not only personal but social and political as well.

Editorial Review

About the Author

Rebecca F. Plante is Associate Professor of Sociology at Ithaca College. She is the editor of two other books on sexualities and genders, and has written on these topics for scholarly journals and the popular press. Plante has also worked as a program evaluator of various state-level HIV/AIDS education programs and once hosted a radio call-in sex advice show.

Users Review

From reader reviews:

Jessica Bradsher:

Exactly why? Because this Sexualities in Context: A Social Perspective is an unordinary book that the inside of the publication waiting for you to snap that but latter it will shock you with the secret the item inside. Reading this book beside it was fantastic author who else write the book in such amazing way makes the content on the inside easier to understand, entertaining means but still convey the meaning completely. So , it is good for you because of not hesitating having this any more or you going to regret it. This excellent book will give you a lot of benefits than the other book get such as help improving your proficiency and your critical thinking means. So , still want to hesitate having that book? If I were being you I will go to the guide store hurriedly.

Doris Stanford:

Are you kind of stressful person, only have 10 or perhaps 15 minute in your day to upgrading your mind expertise or thinking skill also analytical thinking? Then you have problem with the book in comparison with can satisfy your limited time to read it because pretty much everything time you only find publication that need more time to be read. Sexualities in Context: A Social Perspective can be your answer mainly because it can be read by a person who have those short extra time problems.
