By Otsuichi

Summer, Fireworks, and My Corpse By Otsuichi

A coming of age story, right after death.

L to R (Western Style). Two short novels, including the title story and Black Fairy Tale, plus a bonus short story. Summer is a simple story of a nine-year-old girl who dies while on summer vacation. While her youthful killers try to hide her body, she tells us the story—from the POV of her dead body—of the boys' attempt to get away with murder. Black Fairy Tale is classic J-horror: a young girl loses an eye in an accident, but receives a transplant. Now she can see again, but what she sees out of her new left eye is the experiences and memories of its previous owner. Its previous deceased owner.
