The Theory of Hunyuan Whole Entity: Foundation of Zhineng Qigong Science By Dr Pang Ming

China has long been a country rich in the mystery of life cultivation and wisdom of great philosophy. Zhineng Qigong is a great inheritance and development of the essence of traditional Chinese culture, meanwhile it is well targeted at the great demands of our time for Good Health, Good Environment, and Harmonious Relationships between humans and nature among people all over the world. This target is realized by deep recognition of the nature of the world, of human life and of human relationship. The Theory of Hunyuan Whole Entity (written by Dr. Pang Ming and translated by Zhang Yuhong), which is about the Theory of Three Level Substances or the Hypothesis of Three Levels of Substances, is a profound work giving revelations not only to qigong practitioners who are actively improving their physical and mental health level, to researchers, scientists who are keen in knowing more about the truth of the universe and human life, but also to all people who are interested in the essence of Chinese culture. Zhang Yuhong, the translator, is conscientiously presenting this great wisdom inherited from Chinese ancestors and developed with new creativity by Grand Master Pang Ming to the world.
