Editorial Review

About the Author

Jeff Wingo resides in Ohio with his wife and daughter. He is a devoted student of the Scriptures and for the past twenty five years has served the local church as a teacher, elder, Sunday school superintendent, pulpit supply, and board member. He is an avid reader, a collector of books, and enjoys fishing and target shooting in his spare time. His interest in UFOs began in 1980 after a visit to the Nevada Test Site near Area 51. Not long after this visit Jeff and several friends observed a UFO over Johnstown, Ohio. For over twenty minutes they watched the mysterious object chase and harass a small airplane. Many years later in 1997 while traveling east across highway 50 in Indiana, he caught sight of approximately fifteen glowing objects as they slowly maneuvered across the night sky. Other travelers commented about the same objects via CB radio. These and several other incidents convinced him that there must be something more to UFOs, and this led him to look into the subject more closely. This book is the result of that investigation. It details the intimate connection of the UFO and alien phenomena to the occult, demonism, and the ancient prophecies of the Bible.
