Dead Medium: Not Your Average Ghost Story By Peter John

"The Strangest Things Happen When You're Dead." - May Elizabeth Trump.

The deathly silence is about to be broken. She disliked the company of others and death did little to warm her spirit. She had led an independent life and she faced death in much the same way. She was finally alone, finally free from the mindless babble of others, at least that's what she thought. May Elizabeth Trump was the rarest of spirits and she was none too happy about it either. She was a dead medium, a ghost who can speak with the living, and her services were to become in great demand. Flung into the limelight and smothered with unwanted attention, May soon discovers that it's not only ghosts with long awaited messages that have taken an interest in her. Something dark was lurking in the shadows, stalking her. Even the dead are not left to rest in peace.

Dead Medium: A humorous, character driven story and a unique vision of life after death. Not your average ghost story.

Bonus Content.

The Spirits Of Christmas: A Dead Medium, Short Story, Spin-Off Sequel.

Featuring Barbara Smith.

"Dead Medium" revolves around seventy-five year old May Elizabeth Trump's life after death. A hermit who doesn't really want to do anything with everybody else during her lifetime, she reluctantly agrees to help Penny Saunders, a woman who dies a few days before her, to solve the debt problem that she leaves behind to her daughter Chloe. With this, May eventually gets involved with a lot of people, both dead and alive, more than she likes. She is after all a dead medium who is capable of talking to the living; her ability is rare and in great demand.

Peter John is such a wonderful author with a brilliant writing skill, which makes the narration of the book somewhat nostalgic and beautiful. May Trump is truly the center of the story and makes the reading captivating and an absolute joy. Her strong, independent quality anchors the other colorful characters: Penny and Chloe Saunders, the mother and daughter with debt problem, Barbara the so-called seer who works part-time at the supermarket, the ghost George Tailor with his Soul Stalkers' theories, and even Mr. Kibbles, the ghost cat. The story itself is marvelous as well as humorous and gives remarkable insight into how the dead deals with the living world and it discusses the mystery of the other side. The ending takes a surprising turn but it ties up everything together nicely in the end. An enjoyable read and I can't wait for the author's next brilliant work.
