Home for Christmas (Willow Park Book 5) By Noelle Adams

After being married for just six months, Sophie's journalist husband, Mark, was captured by a Syrian rebel group and held for more than two years. Now that he has finally returned home, he's like a different person. She hardly knows him anymore, and he keeps pulling away from her.

She tries to be patient and support Mark in any way he needs, but it just gets harder and harder. With another Christmas in Willow Park fast approaching, Sophie and her husband need to get to know each other once more so they can both heal. And so they can fall in love again.
