These wonderful effects are so good that I'm tempted to dust off my old Riccardo outfit and start performing again. I know you'll enjoy this book, and will come back to it again and again in the future. If you have any doubts whatsoever about performing mentalism for children, try one or two of the effects in this book. I know you'll change your mind. Thank you, Paul, for compiling and publishing this valuable book." -Richard Webster "As for kids mentalism. The funny thing is people think of kids three or four years old when you say kids. This is rarely the case, even for regular kids performers. People do not give kids enough credit for being smart. They get mentalism. They get mindreading even at the age of five and six. I do think it can be done and have done it. Now yes, the times I did it the kids were eleven, and up but they get it. They certainly understand when Harry Potter gets a psychic image." - Banachek Performing Mentalism for Children by David Kaye The Precognitive Phinger Puppet by Mark Strivings
