Editorial Review

Review

I can not wait for P.A. next book. - Becky

Wow, this book blew me away, it was extraordinary! I read it in one sitting, it was so light and I just seemed to flow right through it. -Hannah

The storyline is very unique. The main characters are truly lovable and very realistic. I loved that they each had their own stories (struggles) but managed to stay true to themselves without modeling into someone else. - N. Venable
