The Fire (Witch & Wizard) By James Patterson, Jill Dembowski

Whit and Wisty Allgood have sacrificed everything to lead the resistance against the merciless totalitarian regime that governs their world. Its supreme leader, The One Who Is The One, has banned everything they hold dear: books, music, art, and imagination. But the growing strength of the siblings' magic hasn't been enough to stop The One's evil rampage, and now he's executed the only family they had left.

Wisty knows that the time has finally come for her to face The One. But her fight and her fire only channel more power to this already invincible being. How can she and Whit possibly prepare for a showdown with the ruthless villain that devastated their world--before he can truly become all-powerful?

In this stunning third installment of the epic, bestselling Witch & Wizard series, the stakes have never been higher--and the consequences will change *everything*.

Editorial Review

From [Booklist](#)

The first two entries in the series, *Witch & Wizard* (2009) and *The Gift* (2010), were slapdash, hackneyed affairs involving hastily thrown-together characters and a generically totalitarian future government headed by the evil The One. Thankfully, this apparent conclusion benefits from having to tie together the various threads, resulting in a tighter, more coherent story line. With the teen Resistance in tatters, magical siblings Whit and Wisty are forced to split up to achieve two seemingly impossible goals: save their maybe-not-dead-after-all parents from the Shadowland and destroy The One once and for all. Though the duo's endless array of powers (healing, creating food, morphing bodies, reading minds, shooting flame, freezing people in place) drains most of the tension from otherwise decently constructed action scenes, Patterson's trademark short chapters at least keep things swift. Meanwhile, the series hits its highest point of interest when it finally gives a glimpse into the childhood of The One. A better-than-expected ending to a by-the-numbers trilogy. We can hope it's a trilogy, anyway. HIGH-DEMAND BACKSTORY: Patterson, one of the best-selling authors of all time, is review-proof. The first two volumes set the tone: heavy advertising, graphic-novel supplementation, best-seller lists. Expect the same. Grades 6-9. --Daniel Kraus

About the Author

James Patterson has had more *New York Times* bestsellers than any other writer, ever, according to *Guinness World Records*. Since his first novel won the Edgar Award in 1977 James Patterson's books have sold more than 300 million copies. He is the author of the Alex Cross novels, the most popular detective series of the past twenty-five years, including *Kiss the Girls* and *Along Came a Spider*. He writes full-time and lives in Florida with his family.

Users Review

From reader reviews:

Rafael Arent:

Have you spare time for just a day? What do you do when you have considerably more or little spare time? Yep, you can choose the suitable activity regarding spend your time. Any person spent their very own spare time to take a walk, shopping, or went to the actual Mall. How about open or even read a book entitled *The Fire (Witch & Wizard)*? Maybe it is to be best activity for you. You already know beside you can spend your time with your favorite's book, you can smarter than before. Do you agree with its opinion or you have various other opinion?

Christina Evert:

Precisely why? Because this *The Fire (Witch & Wizard)* is an unordinary book that the inside of the publication waiting for you to snap that but latter it will distress you with the secret this inside. Reading this book adjacent to it was fantastic author who also write the book in such wonderful way makes the content within easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of advantages than the other book include such as help improving your expertise and your critical thinking method. So , still want to delay having that book? If I have been you I will go to the guide store hurriedly.

Linda Porter:

Playing with family in the park, coming to see the water world or hanging out with buddies is thing that usually you could have done when you have spare time, subsequently why you don't try issue that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love The Fire (Witch & Wizard), you could enjoy both. It is fine combination right, you still wish to miss it? What kind of hang type is it? Oh come on its mind hangout fellas. What? Still don't get it, oh come on its referred to as reading friends.

Mark Johnson:

In this period globalization it is important to someone to find information. The information will make a professional understand the condition of the world. The condition of the world makes the information easier to share. You can find a lot of recommendations to get information example: internet, magazine, book, and soon. You can observe that now, a lot of publisher that will print many kinds of book. Typically the book that recommended for you is The Fire (Witch & Wizard) this e-book consist a lot of the information on the condition of this world now. This kind of book was represented how can the world has grown up. The dialect styles that writer value to explain it is easy to understand. Typically the writer made some study when he makes this book. This is why this book ideal all of you.
