The Runaway Bridesmaid By Daisy James

**A deliciously enchanting read, *The Runaway Bridesmaid* is set to steal readers' hearts and keep them guessing until the very last page!**

**What a girl wants...**

Squeezing herself into a frothy, flouncy, bubble-gum pink dress, Rosie Hamilton thinks that being a bridesmaid for her spoilt little sister Freya can't get any worse.

But discovering her boyfriend in a cupboard with the bride, ten minutes before Freya is due to say 'I do', is the icing on the sequined wedding cake – and Rosie's cue to pack her bags.

Swapping her Louboutins for Wellingtons, Rosie throws her bridesmaid bouquet in the air and flies from bustling New York to sleepy Devon. Her late Aunt Bernice's cosy countryside cottage is the only place that's ever felt like home.

Now, for the first time in her life, and with the help of her beloved Aunt's diaries, Rosie must put herself first for a change – and decide what *she* really wants...

**A delightful romance, perfect for fans of Sophie Hart and Lindsey Kelk!**

### Editorial Review

### Users Review

#### From reader reviews:

#### Jon Gomes:

In this 21st millennium, people become competitive in each way. By being competitive today, people have do something to make all of them survives, being in the middle of the particular crowded place and notice simply by surrounding. One thing that oftentimes many people have underestimated this for a while is reading. Yes, by reading a guide your ability to survive boost then having chance to remain than other is high. For you who want to start reading a book, we give you this particular The Runaway Bridesmaid book as nice and daily reading e-book. Why, because this book is greater than just a book.

#### Hubert Macarthur:

Nowadays reading books are more than want or need but also turn into a life style. This reading practice give you lot of advantages. Associate programs you got of course the knowledge your information inside the book that improve your knowledge and information. The data you get based on what kind of e-book you read, if you want drive more knowledge just go with training books but if you want experience happy read one along with theme for entertaining for example comic or novel. Typically the The Runaway Bridesmaid is kind of book which is giving the reader capricious experience.

#### Julia Barr:

Many people spending their moment by playing outside with friends, fun activity together with family or just watching TV all day every day. You can have new activity to spend your whole day by looking at a book. Ugh, think reading a book can really hard because you have to bring the book everywhere? It ok you can have the e-book, taking everywhere you want in your Touch screen phone. Like The Runaway Bridesmaid which is keeping the e-book version. So , why not try out this book? Let's find.

#### Rafael Perez:

Is it a person who having spare time and then spend it whole day through watching television programs or just lying on the bed? Do you need something new? This The Runaway Bridesmaid can be the reply, oh how comes? It's a book you know. You are thus out of date, spending your spare time by reading in this brand new era is common not a geek activity. So what these publications have than the others?
