Unbelonging, a New Adult Romance Novel By Sabrina Stark

Sometimes, the Place You Belong Isn't Where You Began...

From USA TODAY Bestselling Author Sabrina Stark: With an accounting degree that's getting her nowhere, Chloe Malinski spends her nights waitressing and her days housesitting in a neighborhood that's infinitely beyond her reach or comfort zone. But she knows all too well that no one wants a pauper in their mansion, so she's gotten good – maybe a little too good – at faking it 'til she makes it.

With more baggage than any airline, Lawton Rastor made his money through prizefighting – and not the kind with padded gloves and some bowtie-wearing referee. He made it through the gritty, back alley kind where sweaty money changed hands over beer and bimbos.

She's a poor girl from Hamtramck. He's a billionaire bad boy from Detroit. They should've never crossed paths. But when they do, thanks to Chloe's latest housesitting gig, the collision of sparks, secrets, and misunderstandings leaves both of them yearning to belong exactly where they shouldn't – with each other.

A full-length book, this best-seller begins the New Adult Billionaire Bad Boy Unbelonging Series. This new adult romance novel features mature content, sexual situations, and adult language. It's not advised for under-age readers.

Author Interview

Q – Of all genres, why write new adult romance novels?

A – Because they're the most fun! They've got such a fascinating mix of characters, especially those thrilling alpha males – the real stars of these bad boy romance novels. You've got your mma alpha fighters, your billionaires, your boys next door, and sometimes, all of these combined. Take Lawton Rastor, the star of *Unbelonging* and *Rebelonging*, two best-selling wealthy romance novels. He's an alpha male billionaire bad boy and former mma fighter with abs to die

for. And let's not forget his leading lady. Because who deserves a bad boy reformed? Why, our plucky heroine, of course.

The new adult romance genre is a giant candy-bowl of goodies. We can reach in and pull out whatever tasty treat we're craving, whether it's a digital stack of mma romance fighter kindle books, a billionaire bad boy romance, or an alpha male new adult fighter romance novel. To spice things up, I like to cross genre lines, making the series part mma romance, part romantic comedy, part coming of age, part romantic suspense and so on.

Q – Your current new adult romance series features the Bishop brothers, alpha males who grew up tough. What's next on the horizon?

A – Happily, there are still some Bishop brothers we haven't met. This means there's more new adult books coming, with more bad boy mma fighters romance action, along with a few surprises.

Q – Some reviewers call your books laugh-out-loud funny. Are you sure these aren't romantic comedies?

A – Sometimes, it sure seems like it! Even with all the angst and drama, I like to include humorous elements, because I love a funny romance, especially funny new adult books. And hey, we all need a laugh once in a while.

Q – Why should readers check out your books?

A –Because who doesn't love an mma fighter romance series, where a hot alpha male falls hard for a girl like us? Each of these new adult books has been a best seller in varying ways – whether it's hitting the Amazon Top 100 in the Kindle Store to snagging a coveted spot on the USA Today Bestseller list – thanks to wonderful readers like you.
