Bittersweet Deception By Liz Fielding

"Your word, like any other woman's, Kate, is worthless."

Kate's latest assignment was the answer to her prayers, but she'd have turned it down flat if she'd known that Jason Warwick was to be her boss! His devastating looks ensured constant female attention, yet he cynically branded all women as faithless and incapable of love.

Kate wasn't interested in a temporary affair, but that was all Jason appeared to be offering. So conjuring up an imaginary boyfriend seemed the best defense against his seductive charm. But who was Kate really deceiving—Jason, or herself?
