Editorial Review

Review

"An Existentialist intensity and a depth of understanding rare in contemporary fiction." --*Saturday Review*

Language Notes

Text: English, German (translation)

From the Back Cover

"All I really wanted was to try and live the life that was spontaneously welling up within me. Why was that so very difficult?"

Generations of readers have recognized the impassioned cry that introduces the young narrator of *Demian*, and embraced this tale of a troubled young man's struggle toward self-awareness. Initially published in Berlin in 1919, the novel met with instant critical acclaim, as well as great popular success among people seeking answers amid the devastating aftermath of World War I.

A brilliant psychological portrait of an individual's departure from social conventions in the search for spiritual fulfillment, *Demian* encompasses many of the themes associated with Hermann Hesse, its Noble Prize-winning author, particularly the duality of human nature and the quest for inner peace.

Considered an important work in the evolution of 20th-century European literature, this perceptive coming-of-age novel enjoys a particular resonance with young adults, a fact that has made *Demian* a perennial favorite in schools and colleges all over the world. This inexpensive edition, featuring an excellent new English translation, is sure to be welcomed by teachers and students, and by the legions of confirmed Hesse fans.

Users Review

From reader reviews:

Hannelore Evans:

Do you have favorite book? In case you have, what is your favorite's book? Guide is very important thing for us to be aware of everything in the world.
