Healed! Strength for the Caregiver By Angela Peterson

“To face a life-threatening illness and come out victorious takes God’s miracle-working power. This book is straight to the point of what it will take to succeed. The content is strong meat for the caregiver and the one receiving health and wholeness. This book can mean the difference between death and life.” -Billy Joe Daugherty, Pastor Victory Christian Center “God’s word is the power needed to heal any sickness of body, mind or spirit. I believe that this book provides the pure, undiluted word of God in a manner that is easy to apply in any circumstance, even to such seemingly impossible situations as cancer.” -Jerry Toops, PhD, LCSW, Director of Healing Ministries First United Methodist Church “No other word can strike fear in a person or family member like the word, “cancer.” As a professional pain management nurse, I cannot recommend this book ENOUGH! This book is timeless and is a MUST for any patient or caregiver faced with a diagnosis of cancer or life-threatening illness.” -Susan Brown, RN, BSN, Professional Pain Management Nurse Cancer Treatment Centers of America
