Heart Of Light By T.K. Leigh

RECOMMENDED FOR AGES EIGHTEEN AND UP DUE TO EXPLICIT SEXUAL SITUATIONS, STRONG LANGUAGE, AND GRAPHIC VIOLENCE. Twelve years ago, Jolene's adoptive mother died. Twelve years ago, a man showed up at Jolene's door and promised to take care of her. Twelve years ago, Jolene was happy. Then it all changed... Jolene Bergio has spent the last twelve years of her life asking one question... Why? Why was she left in the custody of a man who would sell her each and every night to the highest bidder? After a few years, she shut off, giving up hope that anyone would ever find her. Until her luck changed one night and she escaped. Twelve years later, she finally feels something she hasn't felt in a long time... Free. Almost. Scared that her past will find her unexpectedly, she hides away in a rented beach house, trying to distance herself from everyone... Until Dr. Cameron Bowen enters her world and slowly tears down the walls that she has built up over the past twelve years of her captivity. Jolene begins to learn to love again. And trust again. But when a man from Jolene's past emerges, will she be able to keep her identity hidden? When lies are told and hearts are broken, will the truth surface in time to bring Jolene back from the shadows that threaten to expose who she really is? Heart of Light is a captivating story of love, strength, and survival.

Editorial Review

About the Author

T.K. Leigh, otherwise known as Tracy Leigh Kellam, is the USA Today Best Selling author of the Beautiful Mess series. Originally from New England, she now resides in sunny Southern California with her husband, dog and three cats, all of which she has rescued (including the husband). She always had a knack for writing, but mostly in the legal field. It wasn't until recently that she decided to try her hand at creative writing and is now addicted to creating different characters and new and unique story lines in the Contemporary Romantic Suspense genre. When she's not planted in front of her computer, writing away, she can be found running and training for her next marathon (of which she has run over fifteen fulls and far too many halves to recall). Unlike Olivia, the main character in her Beautiful Mess series, she has yet to qualify for the Boston Marathon.

Users Review

From reader reviews:

Daniel Starnes:

Spent a free the perfect time to be fun activity to complete! A lot of people spent their free time with their family, or their own friends. Usually they undertaking activity like watching television, going to beach, or picnic within the park. They actually doing same task every week. Do you feel it? Do you need to something different to fill your personal free time/ holiday? Could possibly be reading a book is usually option to fill your totally free time/ holiday. The first thing that you'll ask may be what kinds of e-book that you should read. If you want to try look for book, may be the e-book untitled Heart Of Light can be excellent book to read. May be it could be best activity to you.

Andrew Howe:

Many people spending their period by playing outside with friends, fun activity along with family or just watching TV the entire day. You can have new activity to shell out your whole day by reading a book. Ugh, think reading a book will surely hard because you have to bring the book everywhere? It all right you can have the e-book, delivering everywhere you want in your Smartphone. Like Heart Of Light which is obtaining the e-book version. So , try out this book? Let's notice.

James Jernigan:

Don't be worry for anyone who is afraid that this book may filled the space in your house, you could have it in e-book means, more simple and reachable. That Heart Of Light can give you a lot of friends because by you taking a look at this one book you have point that they don't and make you actually more like an interesting person. This specific book can be one of a step for you to get success. This e-book offer you information that possibly your friend doesn't realize, by knowing more than various other make you to be great folks. So , why hesitate? We should have Heart Of Light.

Tracy Brown:

Do you like reading a reserve? Confuse to looking for your selected book? Or your book ended up being rare? Why so many problem for the book? But almost any people feel that they enjoy to get reading. Some people likes studying, not only science book but additionally novel and Heart Of Light or maybe others sources were given information for you. After you know how the great a book, you feel would like to read more and more. Science book was created for teacher as well as students especially. Those publications are helping them to increase their knowledge. In different case, beside science e-book, any other book likes Heart Of Light to make your spare time much more colorful. Many types of book like here.
