

JavaFX Essentials

By Mohamed Taman

JavaFX Essentials By Mohamed Taman

JavaFX is a software platform to create and deliver rich Internet applications (RIAs) that can run across a wide variety of devices.

JavaFX Essentials will help you to design and build high performance JavaFX 8-based applications that run on a variety of devices.

Starting with the basics of the framework, it will take you all the way through creating your first working application to discovering the core and main JavaFX 8 features, then controlling and monitoring your outside world. The examples provided illustrate different JavaFX and Java SE 8 features.

This guide is an invaluable tutorial if you are planning to develop and create JavaFX 8 applications to run on a variety of devices and platforms.

Editorial Review

About the Author

Mohamed Taman

Mohamed Taman, chief of architects and software development manager at e-finance, lives in Cairo, Egypt. He graduated in electrical engineering from Faculty of Engineering, Cairo University. He is an experienced Java developer who has worked on the Web, mobile, and IoT for industries, including finance, banking, tourism, government, and healthcare. Before that, he worked with Pfizer, Intercom Enterprise (a Gold IBM partner), Silicon Expert, and Oracle using varied technologies, such as user-facing GUI frontends, backends, mid-tiers, and integrations of large-scale systems. He enjoys speaking at many conferences evangelizing Java standards and his experience worldwide, as he is a strong Java community member and a Java Champion since 2015. In addition, Mohamed is a member of Adopts Java EE 8, OpenJDK, and JavaFX programs. He was an executive member of Java Community Process Organisation, being the first African to join its board. He is also a member of the expert group JSR 354, 363, and 373. He is also the leader of EGJUG and MoroccoJUG member, a board member of Oracle Egypt Architects Club. He won the 2014 Duke's choice and 11th annual JCP adopt 2013 awards. You can read more about the author at <http://about.me/mohamedtaman>.

Users Review

From reader reviews:

Judy Chisolm:

The ability that you get from JavaFX Essentials could be the more deep you looking the information that hide inside words the more you get interested in reading it. It does not mean that this book is hard to know but JavaFX Essentials giving you thrill feeling of reading. The copy writer conveys their point in a number of way that can be understood by anyone who read the idea because the author of this book is well-known enough. This particular book also makes your own vocabulary increase well. That makes it easy to understand then can go with you, both in printed or e-book style are available. We recommend you for having this particular JavaFX Essentials instantly.

Susan Romero:

The reason? Because this JavaFX Essentials is an unordinary book that the inside of the guide waiting for you to snap it but latter it will jolt you with the secret this inside. Reading this book beside it was fantastic author who else write the book in such wonderful way makes the content inside easier to understand, entertaining means but still convey the meaning fully. So , it is good for you for not hesitating having this any more or you going to regret it. This book will give you a lot of rewards than the other book possess such as help improving your ability and your critical thinking means. So , still want to delay having that book? If I ended up you I will go to the guide store hurriedly.

Larry Swartz:

Playing with family in a park, coming to see the water world or hanging out with good friends is thing that usually you could have done when you have spare time, then why you don't try issue that really opposite from that. 1 activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love JavaFX Essentials, it is possible to enjoy both. It is great combination right, you still need to miss it? What kind of hangout type is it? Oh can occur its mind hangout guys. What? Still don't buy it, oh come on its named reading friends.

Joseph Myrick:

E-book is one of source of know-how. We can add our know-how from it. Not only for students but native or citizen want book to know the change information of year in order to year. As we know those textbooks have many advantages. Beside all of us add our knowledge, may also bring us to around the world. By the book JavaFX Essentials we can get more advantage. Don't that you be creative people? Being creative person must want to read a book. Only choose the best book that ideal with your aim. Don't always be doubt to change your life by this book JavaFX Essentials. You can more pleasing than now.
