Library Spaces for 21st-Century Learners: A Planning Guide for Creating New School Library Concepts By Margaret Sullivan

This book from AASL focuses on planning contemporary school library spaces with user-based design strategies. The book walks school librarians and administrators through the process of gathering information from students and other stakeholders involved in planning a resource rich learning space. Information includes how to create needs assessment documents that compliment AASL's *Empowering Learners: Guidelines for School Library Programs*. Suggestions for adding meaningful aesthetic components and colorful renderings of sample environments are also provided.
