

Path of the Assassin (The Scot Harvath Series)

By Brad Thor

Path of the Assassin (The Scot Harvath Series) By Brad Thor

After rescuing the President from kidnappers in Brad Thor's roaring national bestselling debut, Navy SEAL turned Secret Service Agent Scot Harvath shifts his attentions to rooting out, capturing, or killing all those responsible for the plot. As he prepares to close out his list, a bloody and twisted trail of clues points toward one man—the world's most ruthless terrorist. One problem remains: Harvath and his CIA-led team have no idea what the man looks like. With no alternative, they are forced to recruit a civilian—a woman who has survived a brutal hijacking and is now the only person who can positively identify their quarry. From the burning deserts of North Africa to the winding streets of Rome, Harvath must brave a maelstrom of bloodshed and deception before a madman's twisted vision engulfs the world in the fires of all-out war.

Editorial Review

From Publishers Weekly

If Thor's second international thriller had any more testosterone, it would grow hair. This follow-up to *The Lions of Lucerne* is loaded with explosions, gunfights, car chases and hairbreadth escapes as Secret Service agent Scot Harvath battles religious extremists and incompetent CIA spooks to save the world from WWII. The Hand of God, an apparent Israeli terrorist group, is blowing up mosques in Saudi Arabia, assassinating Arab leaders and hijacking airplanes, all in an effort to provoke the Arab world into war with Israel. Harvath tries to derail the terrorist plot and avenge the deaths of buddies killed in the first book. Aided by Meg Cassidy, a beautiful Chicago public relations expert, Harvath chases the terrorist leader and a silver-eyed assassin from Hong Kong through Europe to North Africa. However, since Cassidy is the only one alive who has seen the face of the terrorist leader, the assassin chases them, too, trying to kill Cassidy before she can point him out. The story is one bloody episode after another, with a touch of romance and colorful turf battles between the CIA, FBI, Delta Force and Harvath himself. Thor stacks the deck in favor of his hero—Harvath never makes a mistake, and his view of how counterterrorism operations should be conducted is invariably proven correct. To top it off, he boasts about his remarkable talents. With its infallible hero, fetching sidekick and wicked bad guys, this international shoot 'em up sticks close to formula, but the well-choreographed action and thrills will keep readers engrossed.

Review

"If Thor's second international thriller had any more testosterone, it would grow hair....the well-choreographed action and thrills will keep readers engrossed."

-- "Publishers Weekly"

"...a blood-soaked sequel to the presidential-kidnapping debut that so arrested critics....Thor leaves little to the imagination when it comes to the cut and thrust of terrorist-busting; the action is relentless and gory, the pacing sublime, as is the authenticity of everything from weaponry to locales."

-- "Ottawa Citizen"

"Clancy fans will love this. Brad Thor has packed this riveting and timely thriller with enough military technology, CIA intrigue, and exotic settings to kidnap even the most demanding readers, deprive them of sleep, and convert them into instant devotees."

-- Dan Brown, "New York Times" bestselling author of "The Da Vinci Code"

"Brad Thor is as current as tomorrow's headlines."

-- Dan Brown

"One of the best emerging thriller writers on the continent."

-- "Ottawa Citizen"
