Rise of the New World Order 2: The Awakening By J Micah'el Thomas Hays

As you know from my first book, the same occult group of people who have been ruling over humanity for thousands of years continue to do so to this day. The reason they have been able to do this and do it consistently is that they worship Satan, who is called the 'god of this world' in the Bible. Satan was hidden for millenia in the mythologies of the day as the god 'Saturn' and I'm going to show you this and other important matters in this second book of the 'Rise of the New World Order' series.

It is always those who are closest to Satan that get to rule the world throughout history, just like it is today, and the torch has been passed down the Luciferian family bloodlines for millennia...all the way back to King Nimrod, the founder of the Babylonian Mystery Religion.

It is important for the brethren to know everything we can about Satan because he is the puppet master of the 'New World Order' that is unfolding behind the scenes as you read this.

Information in this book that I'm basing my position about Satan on comes from the Bible, extra-Biblical sources such as the Book of Enoch, and the historical record of the ancient mythologies of empires gone by. I'm going to show you how the Bible confirms the basis of what turned into all those ancient religions, which we call mythologies today.

This is probably the most revealing book ever composed about Satan, I have found none like it in existence or I wouldn't have taken the trouble to put it together. The deception we live under is absolutely astounding.....how the people who run the world have been able to twist our reality using the power of Satan himself.

Please read the book reviews for this thrilling new series of books and you will see that I am creating a highly important series of books for you to not only read, but to make others aware of their existence. The time for a mass-awakening of humanity is short and I need your help! I'm currently working on the third book and expect to have it done and out in 2018.

Thanks for reading and thanks for your support. -Sentinel Jeff Hays

Editorial Review

Review

"Outstanding expose of what is coming upon the earth (see Matthew 24 & the Book of the Revelation). Should be required reading for ALL Americans, especially our misguided politicians and social leaders" - Amazon customer Santos Garcia Jr. "The scriptures and ancient myths are quoted widely in the book to back up the author's theories on the evil that has dominated our societies. Hays also acknowledges that there have been numerous interpretations of the Bible and that his ideas are but one of many. Because Hays has done so much research in producing his books, I find the books compelling and look forward to reading more of his works in the future." -Amazon customer 'Loco 2' "Jeff, you've done it again. What a great book. The time it must have taken you to research this must have exhausted you. Thank you doesn't seem to be enough. I would recommend this book to anyone searching for the truth and who is also a child of God" -Amazon customer Donald Staub "This is the second book I have read from Hays, I enjoyed both of them and referred them to many people. It took me a bit, but change my heart after book one and came to Christ. Thanks for leading my heart in the right direction." -Amazon customer Jenn "It seals the deal. an informative insight into who's been running the show all this time and a clear warning for our future." -Amazon customer Robbie Dee "This book is for everyone who gives a hoot about our country. Mr. Hays has done a very good job of research for this book as well as for first book. Awakening gives you a first hand reason the be aware of what is actually happening in our world today behind the scenes. Plus, a good reason to discredit those who are making Satan a saint. We have many people who control us with their desires. Read the book and decide for yourself. Do you want to be controlled in all aspects of life, or do you want to be in control of your life with freedom?" -Amazon customer KJ Derr "Another great book from Mr. Hays. Can't wait to read the third installment in this very educational and informative series! Great work! Read it in one sitting." -Amazon Customer "Very thought-provoking! So much that I have never heard of before. Everyone should read this book and the one before!" -Amazon customer Martha Williams "Very interesting information. Expands deeper into the subjects from the first book. If you are someone interested in any biblical or extra biblical works, or even just history in general, this is a must read." -Amazon Customer "A must read for everyone!! This guy really knows how to do his research and present it in an interesting, but easy to understand format." -Amazon customer 'Soap Connosieur' "
