

Seven Black Diamonds

By *Melissa Marr*

Seven Black Diamonds By Melissa Marr

Melissa Marr returns to faery in a dramatic story of the precarious space between two worlds—and the people who must thrive there. The combination of ethereal fae powers, tumultuous romance, and a bloodthirsty faery queen will have longtime fans and new readers alike at the edge of their seats.

Lilywhite Abernathy is a criminal—she's half human, half fae, and since the time before she was born her very blood has been illegal. A war has been raging between humans and faeries, and the Queen of Blood and Rage, ruler of the fae courts, wants to avenge the tragic death of her heir due to the actions of reckless humans.

Lily's father has always shielded her from the truth, but when she's sent to the prestigious St. Columba's school, she's delivered straight into the arms of a fae Sleeper cell—the Black Diamonds. The Diamonds are planted in the human world as the sons and daughters of the most influential families, and tasked with destroying it from within. Against her will, Lilywhite's been chosen to join them . . . and even the romantic attention of the fae rock singer Creed Morrison isn't enough to keep Lily from wanting to run back to the familiar world she knows.

Editorial Review

From School Library Journal

Gr 9 Up—Contemporary issues are woven into a futuristic story in this exciting urban fantasy. Eilidh is a faery princess in a world at war. Her mother, the Queen of Blood and Rage, declared war on humans many years ago. In response, anyone containing even a drop of faery blood was banished to the Hidden Realms. Humans have nearly ruined the natural world with their horrible environmental policies, while the faeries have sustained a brutal terrorist campaign. The seven black diamonds are "sleepers," carefully bred humans with faery blood, brought up in human families in preparation for future service to the Queen. Abernathy is unaware that she is one of those seven black diamonds. As she discovers more about her role in the faery kingdom, Eilidh struggles to find a way to leave a legacy apart from her mother's endless war. As their story lines begin to connect, secrets are revealed and surprising coalitions are formed in the effort to bridge the divide between faery and human. Once again, Marr has built an urban fantasy world that readers will find irresistible. The contemporary issues brought up throughout the book are not always dealt with in the most elegant way; however, readers will find that the realistic dialogue and teen emotions make it easy to relate to the characters, both human and faery. Several romantic relationships develop, which adds levity to the nonstop action of this violent tale. VERDICT Recommended as a first purchase.—Sunnie Scarpa, Wallingford Public Library, CT

Review

"Fans of Marr's Wicked Lovely books will appreciate her melding of ancient faerie lore with complex contemporary characters." (Publishers Weekly)

"Once again, Marr has built an urban fantasy world that readers will find irresistible." (School Library Journal)

"A compelling world of magic, power, and regret." (Bulletin of the Center for Children's Books)

"Marr's trademark use of suspense and romance will make this irresistible for her legions of fans." (Booklist)

"Replete with action, the supernatural, diverse characters, and young love, this urban fantasy is sure to be extremely popular among fans of modern faery tales." (Voice of Youth Advocates (VOYA))
