The Bassist's Link to Sight Reading - #1 Guide to Understanding Studio Charts (Book/CD) (Bass Guitar Series) By Jerry Jennings

BOOK/CD The Bassist's Link to Sight Reading is for bassists who want a solid start toward reading music. It provides an easy step by step method for the beginner reader, without assuming you re a beginner player. This book and CD contain original compositions of various styles. Its unique approach begins in the second position, which is more centered on the staff, and works outward from there. The ability to read charts can lead to better paying gigs and studio sessions. It can also greatly enhance productivity at rehearsals. Ever think of a cool bass riff or melody line, and when you come back to it, it just doesn t sound the same? If you have a way to jot down your ideas, you ll be able to remember them exactly! Learning to read music can only strengthen you as a musician. has made it easier than ever before.
