**War God: Return of the Plumed Serpent** By Graham Hancock

The conquistador Hernán Cortés is hell-bent on conquering Mexico for the Aztecs' gold. Having destroyed the Maya at Potonchan, Cortés now marches on Tenochtitlan, the Golden City of the Aztecs, wrapped in the aura of a returning, vengeful god.

His small force of just five hundred men will have to defeat the psychotic emperor Moctezuma and the armies of hundreds of thousands he commands. Cortés expects that the warlike Tlascalans, hereditary enemies of the Aztecs, will join him, but instead finds himself locked in a deadly struggle and a fight for his life. Even as Cortés risks all in the bloody campaign against the Tlascalans, he plays mind games with Moctezuma, aiming to dismantle the Aztec emperor's confidence and defeat him psychologically before ever having to face him on the battlefield.

The supernatural and compelling rich history combine in this tale of love, brutal courage and triumphs. War God: Return of the Plumed Serpent is a story of staggering magnificence.

### Editorial Review

#### Review

Reviews for War God: Nights of the Witch : ...part historical fact, part fantasy, the effect is as intense as the events themselves. It's a fascinating read that will have you booking a flight to Mexico long before you finish the book. Evening Standard The book offers up a heady mix of action, politics, spirituality and the supernatural and we learn a lot...Convincing fantasy elements and viscerally recreated details keep the narrative charging forward. Daily Mail Five hundred years ago the old Mexican prophecy which announced the return of Quetzalcoatl came true. In an era dominated by human sacrifices and the decadence of a great culture, bearded men, white-faced, from beyond the sea, arrived to impose their law. In this fast-moving highly recommended novel, Graham Hancock masterfully reconstructs the biggest clash of civilizations ever, revealing aspects that only a genius author could unveil. Javier Sierra New York Times bestselling author of The Secret Supper and The Lost Angel Interweaving historical fact and vivid fiction, Graham Hancock's War God is packed full of blood, guts, conflict, sacrifice and witchcraft in the last days of the Aztec empire. The story of the Spanish conquest of Mexico and the downfall of Moctezuma is the perfect (if very gory) distraction from modern life. Wanderlust
